

LIMITED WARRANTY ON THE RADCO SOLAR COLLECTOR AND ABSORBER

Manufactured by AGUA DEL SOL, L.L.C.

SCOPE OF COVERAGE: This warranty applies to a new solar collector manufactured by Agua Del Sol, L.L.C. and installed in the United States of America. It extends to the first retail buyer and to any subsequent owners of the system for a total of seven (7) years. For SEVEN (7) YEARS Agua Del Sol, L.L.C. warrants the collector to be free from defects in material and workmanship when installed in accordance with Agua Del Sol, L.L.C. standards from the date of original installation. If a defect does occur during the warranty period, Agua Del Sol, L.L.C. will reimburse for repairs to any part of the collector as shown below, or at Agua Del Sol, L.L.C.'s option, provide a replacement part. A replacement part may consist of a new or factory rebuilt component or part of at least the same quality. Repairs and/or replacement parts are warranted only for the unexpired term of the original warranty. This warranty applies to collectors installed for use in medium temperature (110 to 210 degrees F) domestic hot water applications only.

ONE YEAR WARRANTY WHEN USED AS PART OF A SWIMMING POOL OR SPA HEATING SYSTEM: Agua Del Sol, L.L.C. warrants the collector to be free from defects in material and workmanship when installed in accordance with industry standards for one year from the date of original installation. If defect does occur during the warranty period, Agua Del Sol, L.L.C. will provide a replacement part, or at Agua Del Sol, L.L.C.'s option, reimburse for repairs to any part of the collector. A replacement part may consist of a new or factory rebuilt component or part of at least the same quality. Repairs and/or replacement parts are warranted only for the unexpired term of the original warranty. This warranty applies to collectors installed for use in low temperature (60 to 104 degrees F) swimming pool or spa applications only.

SERVICE LABOR REIMBURSEMENT: Agua Del Sol, L.L.C. will reimburse up to \$200.00 per collector for Agua Del Sol, L.L.C. authorized repairs, or for removal and reinstallation of an Agua Del Sol, L.L.C. authorized replacement part or collector, for products repairs required within ONE (1) year of purchase date.

FREIGHT AND SHIPPING EXPENSES: During the first three (3) years of warranty coverage, Agua Del Sol, L.L.C. will pay shipping costs for an authorized replacement part or collector from Agua Del Sol, L.L.C. to the nearest local distributor, dealer, or authorized service center in the continental United States. After the third year, freight and packing costs are the responsibility of the owner and are not covered under this warranty.

WARRANTY EXCLUSIONS: This warranty does not cover defects of any kind resulting from faulty installation. This warranty does not cover damage caused by fire, flood, lightning, hurricane, tornado, hail, winds, earthquake, or other acts of God and/or act of nature. This warranty does not cover damage caused by vandalism, war, riots, explosions, misuse, abuse, negligence, accident, alteration, falling objects, harmful chemicals, acetic or caustic fluids, fumes or vapors, including improperly applied or maintained heat transfer fluids, propylene glycol pH levels above 10 or below 8, or other circumstances beyond Agua Del Sol, L.L.C.'s control. This warranty does not cover damage caused by operation of the collector including absorber under excessive pressure, or by erosion corrosion of the copper tubing resulting from excessive flow rates. This warranty does not cover clouding or similar occurrence resulting from the normal intrusion of moisture into the box, or glass breakage for any reason. This warranty does not cover freeze damage to the collector including the absorber. This warranty does not cover collector if moved from the original installation location.

TO OBTAIN WARRANTY SERVICE: To obtain service under this warranty, notify the installation contractor. If the installing dealer is not available, contact Agua Del Sol, L.L.C. at the phone number or address below. Each claim will require documentation indicating the original purchaser's name, address, phone number, date of installation, date of failure, reason for failure, product model number and serial number, and the installing contractor's name and phone number. Each claim must be accompanied by a photograph of the manufacturing defect. Warranty service will be provided only during normal business hours.

LIMITATIONS: In the event of a defect, Agua Del Sol, L.L.C.'s liability is strictly limited to the furnishing of repair or replacement part(s) as provided herein. Agua Del Sol, L.L.C. shall not be responsible for repair or replacement of any system components except the collector including the absorber, for repair or replacement of any component not provided by Agua Del Sol, L.L.C., for any incidental property damage, for any incidental or consequential damages, including inspection costs, lost profits, lost wages, lost savings or any other costs arising out of the use or inability to use the collector including the absorber, or for any claim by any other party. No other expressed warranties unless otherwise explicitly agreed in writing by Agua Del Sol, L.L.C. Some states do not allow the exclusion or limitation of incidental or consequential damage, so the above limitation may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

LIMITED WARRANTY ON THE RADCO DRAINBACK TANK

Manufactured by AGUA DEL SOL, L.L.C.

SCOPE OF COVERAGE: This warranty applies to a new Drainback Tank reservoir and heat exchanger manufactured by Agua Del Sol, L.L.C., and installed in the United States of America. It extends to the first retail buyer and to any subsequent owners of the Drainback Tank reservoir and heat exchanger for a total of seven (7) years.

SEVEN (7) YEAR WARRANTY: Agua Del Sol, L.L.C. warrants the Drainback Tank reservoir and heat exchanger to be free from defects in material and workmanship when installed in accordance with Agua Del Sol, L.L.C. standards for seven (7) years (**five (5) years for the pumps and controller**) from the date of original installation. If a defect does occur during the warranty period, Agua Del Sol, L.L.C. will reimburse for repairs to any part of the Drainback Tank reservoir and heat exchanger, or at Agua Del Sol, L.L.C.'s option, provide a replacement part. A replacement part may consist of a new or factory rebuilt component or part of at least the same quality. Repairs and/or replacement parts are warranted only for the unexpired term of the original warranty. This warranty applies to Drainback Tanks installed in medium temperature (110 to 180 degrees F) domestic water applications only.

SERVICE LABOR REIMBURSEMENT: Agua Del Sol, L.L.C. will reimburse up to \$140.00 for Agua Del Sol, L.L.C. authorized repairs, or for removal and reinstallation of an Agua Del Sol, L.L.C. authorized replacement part or Drainback Tank reservoir and heat exchanger.

FREIGHT AND SHIPPING EXPENSES: During the first three (3) years of warranty coverage, Agua Del Sol, L.L.C. will pay the shipping costs for an authorized replacement part or Drainback tank reservoir and heat exchanger from Agua Del Sol, L.L.C. to the nearest local distributor, dealer, or authorized service center in the continental United States. After the third year, freight and packing costs are the responsibility of the owner and are not covered under this warranty.

WARRANTY EXCLUSIONS: This warranty does not cover defects of any kind resulting from faulty installation. This warranty does not cover damage caused by fire, flood, lightening, hurricane, tornado, hail, winds, earthquake, or other acts of God and/or acts of nature. This warranty does not cover damage caused by vandalism, war, riots, explosions, misuse, negligence, accident, alteration, falling objects, harmful chemicals, acetic or caustic fluids, fumes or vapors, including improperly applied or maintained heat transfer fluids, or other circumstances beyond Agua Del Sol, L.L.C.'s control. This warranty does not cover damage caused by scale build up, or by operation of the Drainback Tank under excessive pressure, or by erosion corrosion of the copper tubing resulting from excessive flow rates. This warranty does not cover damage caused by heat transfer fluids not specifically authorized in the Agua Del Sol, L.L.C. Installation Manual. This warranty does not cover color changes or cosmetic damage to the plastic skin. This warranty will not apply if the Drainback Tank is open to the atmosphere while running or when hot. Pumps and controllers, even if assembled to the Drainback Tank, are covered for five (5) years only unless run dry which voids the warranty. This warranty does not cover freeze damage to the Drainback Tank.

TO OBTAIN WARRANTY SERVICE: To obtain service under this warranty, notify the installation contractor. If the installing contractor is not available, contact Agua Del Sol, L.L.C. at the phone number or address listed below. Each claim will require documentation indicating the original purchaser's name, address, phone number, date of installation, date of failure, reason for failure, product model number and serial number, and the installing contractor's name and phone number. Each claim must be accompanied by photographs of the manufacturing defect and of the installation area. Warranty service will be provided only during normal business hours.

LIMITATIONS: In the event of a defect, Agua Del Sol, L.L.C.'s liability is strictly limited to the furnishing of repair or replacement part(s) as provided herein. Agua Del Sol, L.L.C. shall not be responsible for repair or replacement of any system components except the Drainback Tank reservoir and heat exchanger, for repair or replacement of any component not provided by Agua Del Sol, L.L.C., for any incidental property damage, for any incidental or consequential damages, including inspection costs, lost profits, lost wages, lost savings or any other costs arising out of the use or inability to use the Drainback Tank, or for any claim by any other party. There are no other expressed warranties unless otherwise explicitly agreed in writing by Agua Del Sol, L.L.C. Some states do not allow the exclusion or limitation of incidental or consequential damage, so the above limitation may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

**LIMITED WARRANTY ON THE
RADCO STAINLESS STEEL DRAINBACKTANK
Manufactured by AGUA DEL SOL, L.L.C.**

SCOPE OF COVERAGE: This warranty applies to a new Stainless Steel Drainback Tank reservoir and heat exchanger manufactured by Agua Del Sol, L.L.C. and installed in the United States of America. It extends to the first retail buyer and to any subsequent owner of the Stainless Steel Drainback Tank reservoir and heat exchanger for a total of ten (10) years.

TWELVE (12) YEAR WARRANTY: Agua Del Sol, L.L.C. warrants the Stainless Steel Drainback Tank reservoir and heat exchanger to be free from defects in material and workmanship when installed in accordance with Agua Del Sol, L.L.C. standards for twelve (12) years (**five (5) years for pumps and controllers**) from the date of original installation. If a defect does occur during the warranty period, Agua Del Sol, L.L.C. will reimburse for repairs to any part of the Stainless Steel Drainback Tank reservoir and heat exchanger, or at Agua Del Sol, L.L.C.'s option, provide a replacement part. A replacement part may consist of a new or factory rebuilt component or part of at least the same quality. Repairs and/or replacement parts are warranted only for the unexpired term of the original warranty. This warranty applies to Stainless Steel Drainback Tanks installed for use in medium temperature (110°F to 180°F) domestic hot water applications only.

SERVICE LABOR REIMBURSEMENT: Agua Del Sol, L.L.C. will reimburse up to \$140.00 for Agua Del Sol, L.L.C. authorized repairs, or for removal and reinstallation of an Agua Del Sol, L.L.C. authorized replacement part or Stainless Steel Drainback Tank reservoir and heat exchanger.

FREIGHT AND SHIPPING EXPENSES: During the first three (3) years of warranty coverage, Agua Del Sol, L.L.C. will pay the shipping costs for an authorized replacement part or Stainless Steel Drainback Tank reservoir and heat exchanger from Agua Del Sol, L.L.C. to the nearest local distributor, dealer, or authorized service center in the continental United States. After the third year freight and packing costs are the responsibility of the owner and are not covered under this warranty.

WARRANTY EXCLUSIONS: This warranty does not cover defects of any kind resulting from faulty installation. This warranty does not cover damage caused by fire, flood, lightning, hurricane, tornado, hail, winds, earthquake, or other acts of God and/or acts of nature. This warranty does not cover damage caused by vandalism, war, riots, explosions, misuse, abuse, negligence, accident, alteration, falling objects, harmful chemicals, acetic or caustic fluids, fumes or vapors, including improperly applied or maintained heat transfer fluids, or other circumstances beyond ADS's control. This warranty does not cover damage caused by scale build up, or by operation of the Stainless Steel Drainback Tank under excessive pressure, or by erosion corrosion of the copper tubing resulting from excessive flow rates. This warranty does not cover damage caused by heat transfer fluids not specifically authorized in the Agua Del Sol, L.L.C. Installation Manual. This warranty does not cover color changes or cosmetic damage to the plastic skin. This warranty will not apply if the drainback tank is open to the atmosphere while running or when hot. Pumps and controllers, even if assembled to the Stainless Steel Drainback Tank, are covered for five (5) years only unless run dry which voids the warranty. This warranty does not cover freeze damage to the Stainless Steel Drainback Tank.

TO OBTAIN WARRANTY SERVICE: To obtain service under this warranty, notify the installation contractor. If the installing contractor is not available, contact Agua Del Sol, L.L.C. at the phone number or address below. Each claim will require documentation indicating the original purchaser's name, address, phone number, date of installation, date of failure, reason for failure, product model number and serial number, and the installing contractor's name and phone number. Each claim must be accompanied by photographs of the manufacturing defect and of the installation area. Warranty service will be provided only during normal business hours.

LIMITATIONS: In the event of a defect, Agua Del Sol, L.L.C.'s liability is strictly limited to the furnishing of repair or replacement part(s) as provided herein. Agua Del Sol, L.L.C. shall not be responsible for repair or replacement of any system components except the Stainless Steel Drainback Tank reservoir and heat exchanger, for repair or replacement of any component not provided by Agua Del Sol, L.L.C. for any incidental property damage, for any incidental or consequential damages, including inspection costs, lost profits, lost wages, lost savings or any other costs arising out of the use or inability to use the Stainless Steel Drainback Tank, or for any claim by any other party. There are no other expressed warranties unless otherwise explicitly in writing by Agua Del Sol, L.L.C. Some states do not allow the exclusion or limitation of incidental or consequential damage, so the above limitation may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.
